

Peppol Authority Meeting between State Treasury Finland and Digital Agency Japan

On 27th May 2024, Mr. Hiroyuki Kato, a leader of Japan Peppol Authority (PA), joins the Peppol Authority Meeting with Finnish State Treasury to update the situation of e-invoice initiative in each jurisdiction and to discuss a plan of our future collaboration.

All participants from Finland and Japan

In addition, both PAs confirm to continue the collaborative initiatives that enable businesses to increase their awareness of benefits with Peppol e-invoice use.

Mr. Kato has a courtesy call to Ms. Liisa Räsänen, Director-General, Finnish State Treasury. Both agree that e-invoice would contribute to realize “Real Time Economy” and recognize the importance to create “new valuable business” based on that.

Active discussion between participants
